

Serpent Kingdoms Errata

When the text within a product contradicts itself, our general policy is that the primary source is correct and any secondary reference is incorrect. (For example, when the body text and a table contradict, the information in the body text should be considered correct.) Exceptions to this rule are called out specifically.

Page 31: Terpenzi's Stat Block

Terpenzi, the Guardian of Najara, should have a Constitution score of —. This change affects Terpenzi's hit points (221 hp instead of 595 hp), Fortitude save modifier (+13 instead of +24), and Concentration check modifier (+27 instead of +38).

Page 48: Chassan's Stat Block

Chassan, as written, has both immunity to cold and vulnerability to cold. Delete the reference to "vulnerability to cold" in Chassan's stat block.

Page 141: The Serpent Sibyl's Stat Block

The Serpent Sibyl's stat block contains an error. Under Full Atk, the bite damage should be 2d6+4, not 1d8+4.

Page 158: *Venomfire* Spell

The *venomfire* fire has two Saving Throw lines. Delete the second line that says Saving Throw: None.

Page 162: Fang of Sseth Prestige Class

The fang of Sseth prestige class should gain a number of skill points each level equal to 8 + Int modifier (not 2 + Int modifier, as indicated).
